NEW BUSINESS:

OLD BUSINESS:

1. ***Ashland Fall Festival*** - Wade Middaugh stated he would present the Board with the budget for this year's festival at the June meeting. The festival has raised \$555 in vendor fees thus far with 17 vendors. Vee Fasciotti stated she found a band called the Big Deal that will play in the morning for free or a small donation. Eric Sappington's band has been hired to play in the afternoon from noon to 2 p.m. for \$250-\$300. Wade is contacting Suthurn Justus to play from 3-5 p.m. The events currently scheduled are the 5K Walk/Run, Best Dressed Dog Contest, Poker Tournament, and Ashland Idol. Vee Fasciotti stated she would like to see the poker tournament donations used for the Parks and Recreation Board this year. Mary Logsdon asked that Wade check on a kettle corn vendor as she has someone in mind if they are needed.
2. ***Long Range Planning Discussion*** - After a brief discussion Mike Fulca made a motion to table this item to the June Meeting when the Board visits the parks. Mary Logsdon seconded the motion. Motion Carried.

DISCUSSION:

1. Wade Middaugh presented an anonymous letter received in the city dropbox from a resident. The letter asks that the Board consider installing a doggy poo station in the Lake View Estates Property. The letter states that there is a problem there with animal feces and a station would help. After discussion, Mike Fulca asked that the letter be forwarded to the City Administrator as that property is not park land. David Mars seconded the motion. Motion carried.
2. Wade Middaugh presented an e-mail from Amanda Brush, a student at Southern Boone High School. She requested a plaque be installed in memory of Alexandra Anderson, a student who passed away in a tragic accident a few years ago. The e-mail states the tree Amanda would like the plaque at and its meaning to the students on the Cross Country Team that Alexandra was a member of. The costs would be covered by the group wanting the plaque installed. After discussion, Wade Middaugh made motion to approve the request and ask that Amanda contact the public works department regarding placement and installation. Vee Fasciotti seconded the motion. Motion carried.
