OLD BUSINESS:

A. *Outdoor Movie Events*

Wade Middaugh reported to the Board that we will have two movie events in 2012, as discussed at the last meeting. Wade said he talked with the Daniel Boone Regional Library and they would live to sponsor the first movie with the Board and have it in May or June. This time frame works for their summer reading program. The Board agreed that a G movie should be held in late May or early June and possible at an earlier time and indoor location for the younger audience. Wade said he would look into venues for this and speak with the Library and report back to the Board in January. The second movie will be the "Back to School" movie and will be held in late August.

DISCUSSION:

Mike Fulca asked for a report on the security in the City Park. Wade reported that there haven't been any incidents to his knowledge from the Police Department. The Board discussed how to assist the Police Department in this effort. After discussion, the Board decided it best to try and get the word out to the public that the best way to assist is to have people contact the non emergency number posted at the City Park when they see something of issue.

Erin Nelson asked that the Board possibly consider an event in the summer for youth in our area to give them a positive outlet in the City Park. After discussion, the Board will look into a possible summer dance in the City Park with live music and refreshment free to the public. This will be discussed that the January meeting.
